December 11, 2001

Commissioner for Patents  
Washington, D.C. 20231

Sir:

Applicant, in accordance with the duty of disclosure pursuant to 37 C.F.R. § 1.56, hereby advises the United States Patent and Trademark Office ("PTO") of the references listed on the accompanying form PTO-1449 *Information Disclosure Citation*. The subject application is a divisional application of U.S. Patent Application Serial No. 09/751,277, filed December 29, 2000 (the "parent application") and claims priority therefrom. The references listed on the accompanying form PTO-1449 were cited by Applicant in connection with the parent application. In accordance with 37 C.F.R. § 1.98(d), Applicant has not provided copies of the cited references. However, Applicant would be pleased to provide such copies for the Examiner's convenience upon request.

Applicant believes that the instant Information Disclosure Statement fully complies with

the disclosure requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98, as revised effective March 16, 1992, inasmuch as under the revised rule 37 C.F.R. § 1.98 there is no requirement for Applicants to explain the relevance of the references cited in an Information Disclosure Statement unless those references are not in the English language.

Applicant notes that although the cited references may be relevant to the examination of the above-referenced application, under 37 C.F.R. § 1.97(h), the filing of this Information Disclosure Statement "shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b)."

Respectfully submitted,
